

To every thing there is a season
and a time for every purpose under the heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

—Ecclesiastes

With the start of a new decade, there have emerged a myriad of new and fresh ideas. Among these jewels of our frenetic generation is our awareness of our own being. There is a time for school, a time for play . . . a time for searching, a time for reflection . . . a time for introspection, and most important, a time for action.

This then is our thought. There is truly "a time for everything".

Superintendent Kenneth L. Peters

It might be well for the class of 1970 to implant in the new building a time capsule in which the history of the past 30 years was recited; an analysis was made of the great unsolved issues of this day; and a forecast presented of what 2000 A.D. will offer.

An exposition of the accomplishments of 1940-1970 would be overwhelming. A study of the issues only partially resolved or totally unresolved would mark the challenge. The forecast, hopefully, would evidence that there is much in the American way and in the civilized world to build on and the accomplishments and starts evidence this—but also the forecast should indicate that the challenges are exciting to those of the new generation who are assuming leadership roles in making the next decisions that will determine the destiny and dignity of all human beings.

Good luck to you in the new responsibilities you must assume.

In keeping with the theme of this year's Watchtower, "A Time for Everything", I submit this is the time of change at Beverly. Our high school in providing the most meaningful educational program for our students has accepted the need for more flexibility in curriculum experiences and program scheduling. We understand the need for change, we anticipated and planned for it in the design of our new building, and in so doing began an investment of considerable money, time, and talent to effect it. This commitment is centered on our belief that to offer the most effective learning experiences for you, we need greater individualization within the school program.

Program MOD-70 has been launched. It is a time of excitement, challenge, hard work, and added responsibility. This is a very special year in the history of Beverly Hills High School.

William C. Quandt

Beverly lost two of its most highly respected teachers, William Quandt and Dennis Peterson, this past summer.

Mr. Quandt headed the Social Studies Department before his retirement last year. He was a teacher here since 1934.

Mr. Peterson was the head of the Business Education Department. He taught at Beverly for thirty years.

These two very devoted men will long be remembered by their students.

Peace was the theme as the student body left classes October 15 to observe a nation-wide Moratorium on campus and at nearby locations. Though students may have differed on ways to achieve peace, they agreed on one thing—nobody likes war.

Fall Semester Speakers

This semester's speakers talked on various issues concerning us all on one level or another. From the Sirhan Sirhan trial, a national area of concern, to the rock world of K.R.L.A. guest speakers gave us informative talks. Democratic Congressman Thomas Rees commented on U.C.L.A.'s Angela Davis. Beverly Hills Police Chief Joseph Kimble talked at noon about the problems all policemen face. Sirhan Sirhan's lawyer, Grant Cooper, gave us an objective view of the case and his defendant. K.R.L.A.'s Tom Beck filled us in on the "Credibility Gap:" its content and its management.

'The Tempest'

Presented in the Little Theater and directed by Mr. John Ingle, the cast of "The Tempest" gave eight performances. It starred Eva Ein, Miranda; David Holmes, Ariel; Stephen Tolkin, Prospero; Lor Kellogg, a halfmonster; and Bob Ziegler, the king of Naples son. The play is about shipwrecked travellers and their relationships with the inhabitants of a newly found magical island. Along with Mr. Rex Faubion's stage crew and Mr. William Corrigan's make-up designs, all did an excellent job in the production of this successful fall play.

Everyone anxiously awaits the announcements.

Room 121 was in continual use during the noon hours so that many politically and socially oriented individuals could speak to students. Towards the beginning of the semester Don Wilson spoke on understanding the dynamics of the ghetto communities. A radical UCLA student, John Donaldson, encouraged his cause at Beverly. Revolution as a profession was "square" Ed Butler's topic. Lee Pastano, an advocate of Maoism, lectured about Mao and his China. Arron Wolf, of the Moratorium Committee, informed students of the new shape moratoriums would take in the future.

The \$7.25 million plant was dedicated in February. In the building are art studios, electronics shop, library - instructional center, planetarium, cafeteria, and parking lots. David And Lisa

The fascinating and touching story of two mentally disturbed adolescents was dramatized by Beverly's distinguished drama department in their production of James Reach's "David and Lisa." Alan Bruun and Cathy Hand held the title roles during the play's three day run in mid-March. Other characters included the school employees: Steve Tolkin, Laraine Newman, Sally Russell, and Chuck Rosin. Students were played by Scott Colomby, David Holmes, Lor Kellogg, Helaine Lembeck, Amanda Martin, and Chris Ohman. Others in the cast included Janie Murray, Jim Hayden, Angie Brown, Bruce Goldsmith, Malcolm Leader, Sue Morgenstern, and Jeff White.

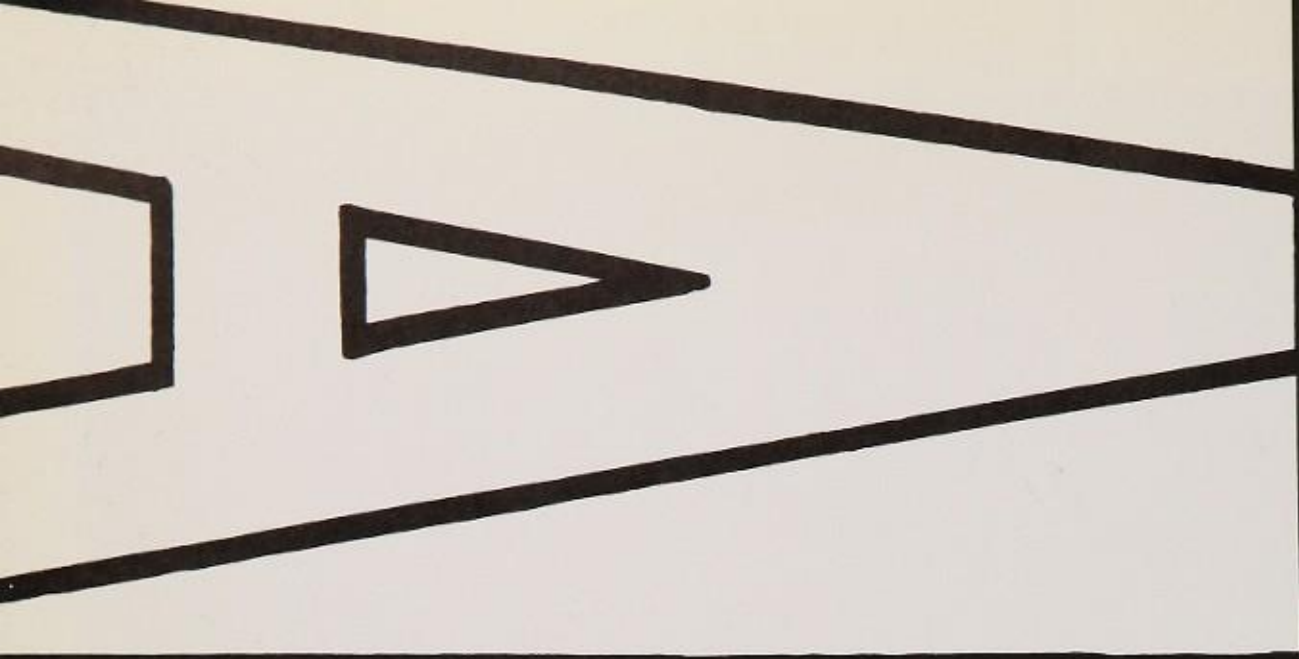

Gilbert and Sullivan's infamous operetta, "Pirates of Penzance" was successfully performed by Beverly's music and drama departments. Musical director Robert Holmes and dramatic director John Ingle did an excellent job working with the cast. The leads included: Lor Kellogg, the major-general; David Leisner, the pirate king, Steve Weiss, Samuel; Arthur Kaufman, Frederick; Jon Brown, sergeant of police; Casey Hendler, Mabel; Meralie Adams, Edith; Helaine Lembeck, Kate; and Kate Groobin, Ruth.

Beverly's APEX Program sent interested students to Manual Arts High School for a Psychology course and to Dorsey High School for a ceramics class. The predominant reasons for attendance were that the students

wanted to take courses not offered at Beverly, and that they wanted first hand experience about the schools involved. Participating in the program at Manual Arts were Michelle Barzilay, Anita Bourne, Judee Krakowski, Richard Rohrlick, and Frances Smith. Those

Rick Rohrlick

attending class at Dorsey were Kim Doernberg, Sheri Reder, and Barbara Rubin.

Debbie hotfoots it to the saloon.

Wait until he sees that rip in his pants!

And The . . .

Tired feet? Dr. Shoals to the rescue!

Having a whale of a good time.

If I only hadn't lost my "C" ticket . . .

Where's Rob? . . . But nobody ever falls off the Matterhorn . . .

The Farkel Family

Row, row, row your boat . . .

Seniors Invade

Andi in Wonderland.

Making a spectacle of themselves.

Canoe paddle a canoe?

3 hours later . . .

Which ride shall we sneak on next?

The devil's advocate

How? Only Myron knows.

Camera shy??

Disneyland

Stop crying Nancy. It's all over.

Going mad on the teacups.

Varsity Football

After displaying their potential in the pre-season games, the Norman Varsity gridders failed to sustain their momentum. Led by Coach Keelor (right), the team defeated Leuzinger and spectacularly upset St. John Bosco in non-league action. Yet all was for naught as the Varsity ended the season with a winless record in Pioneer League competition.

Though hurt by the loss of some of last year's seniors, Butch Fries made a valiant attempt to inspire his teammates on to victory. He connected with all-league tight-end Geoff Mahar for good yardage, while Billy Weisberg, Rich Aptacker, and sophomore Maurice Hill carried the ball for long gains.

The Varsity defense demonstrated outstanding ability as it held its opponents close to a touchdown lead on the average. Burke Cahill and Vic Preisler combined with Fries and Mahar, who doubled as defensive linebackers to hinder the opponent's running attacks. Only the pass defense lacked efficiency.

The Varsity football team has a bright future, in that this year's sophomores and juniors, with their experience in Varsity play, will be next year's outstanding players. And with the addition of many ex-Bee champions, the 1970 team should prove to be of exceptional quality.

Bees Win Pioneer

The 1969 Bee Football team climaxed a thrilling season with its overwhelming capture of the Pioneer League Championship. Combining total team effort with individual skill, the Norman Bee squad demolished their adversaries, ending with an unblemished 5-0 record against league competitors, and an 8-1 overall record.

Rudy McClellan (above, 87) demonstrates his ability to tackle as he catches an opponent behind the lines for a loss. Rushing to his aid is Mike Cahill (60). Peter Troesch (upper left) gets off a punt in the face of on-rushing defenders. Exhibiting his running talent is quarterback Steve Kessler (left). Another asset to the Norman offense with outstanding ground gains throughout the season was Thomas Troesch.

League Championship

The defensive capacity of the Bee team contributed greatly to its phenomenal record. Steve Fields, a possible graduate to the Varsity ranks, demonstrates that capacity as he assists in tackling an enemy runner (above). McClellan (below) up-ends an opposing runningback as he contributes to the team's great defensive efforts. Kesler (right) lofts the ball to one of his receivers downfield. Kesler, along with Chick Watt and Jeff Young, all three of Varsity potential, alternately quarterbacked the Bee's this past season. Keith Farrell distinguished himself at halfback while Frank Brown showed great skill as split-end.

Indeed coaches Schreiber and Friedman did an admirable job of coordinating the endeavors of their all-star team.

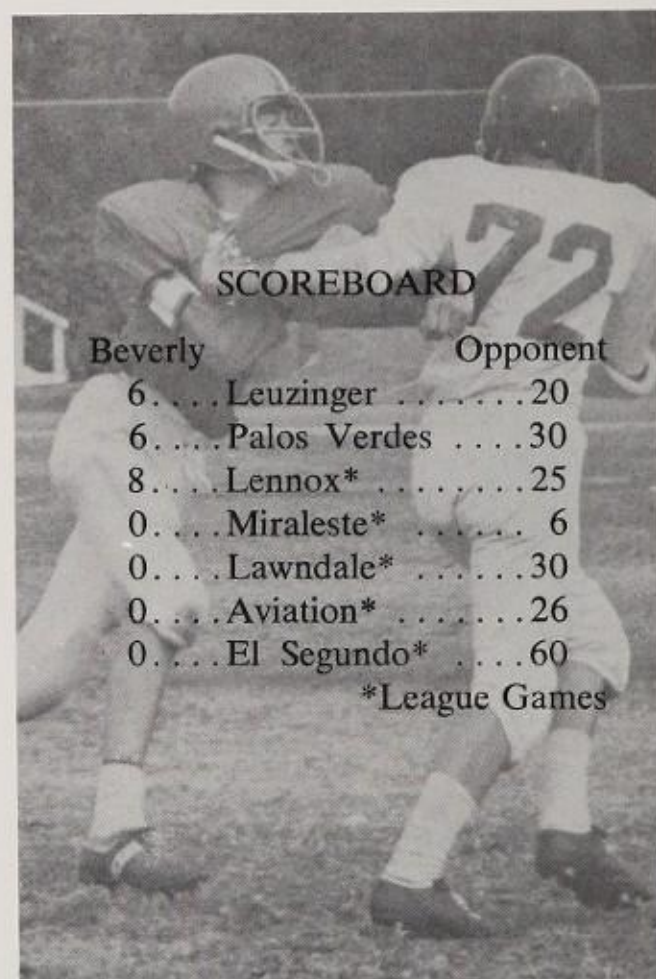

Cee Football

An inspired Cee team's hopes of success in the 1969 season were disappointed due to lack of experience. Valiant rushes by the Norman defensive front five (right) proved ineffective against more experienced foes. The Normans were held to a winless season, but many new faces presented themselves as prospects in Beverly's sports future. Gordon Brown, most valuable player, exhibits his fine running talents as he fights the Miraleste defense (bottom right). Bob Kimball, defensive captain, contributed spirit as well as talent to the squad. Eric Jacobsen and Titus Hall often combined with quarterback David Engel for long gains. Mark Fingerman highlights a game with an interception-runback (bottom left).

Cross Country

The Varsity Cross Country team began the season with very impressive victories in pre-league competition. After defeating North View, Leuzinger, Hamilton, and Centennial, most people were looking forward to a Pioneer League Championship. Yet the expectations were never realized, as the team closed out the season in third place, with three wins and two losses, and an exceptional over-all record of 7-3.

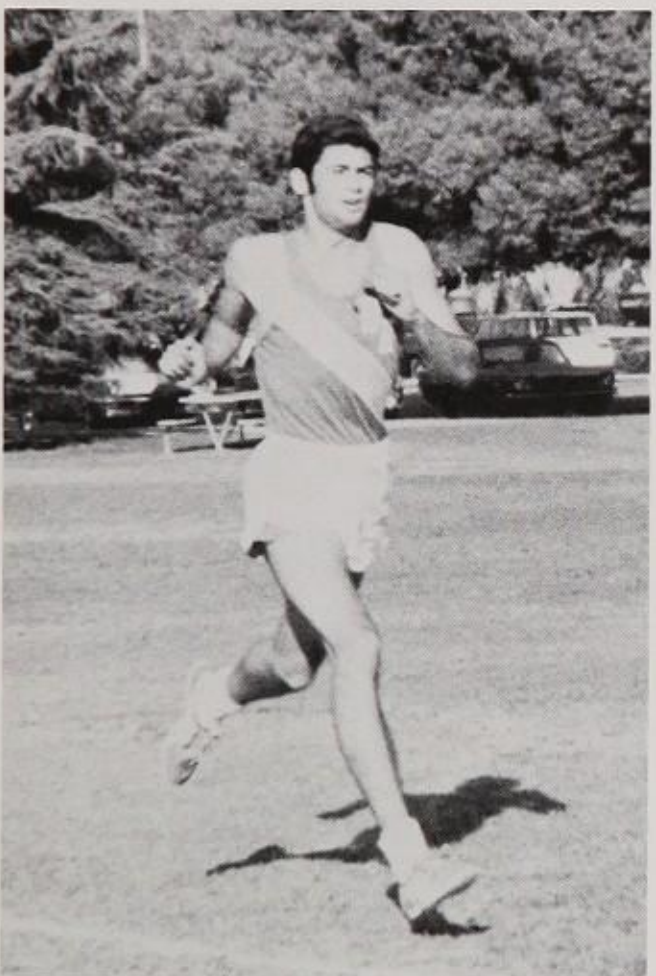

Coach Larson's Cross Country team is composed of many athletes of special ability. But there is none better than the legendary Simon Langer (below, left). Hailed as the greatest athlete ever to attend Beverly High, Simon has indeed earned a reputation as a fine runner. Not only does he hold the school cross country record (which he broke this year), but he took first place at the league finals, and eighth in CIF.

Overshadowed by Simon's spectacular performances were many other runners of high caliber. Jim Marks, Ron Wanglin, and Bob Stein all added depth to an exceptional team.

The Junior Varsity team had an excellent season, with eight victories as opposed to two losses. In the forefront were Richard Graham, Roger Daniels, and Neal Snyder.

The Frosh-Soph team had an identical season record, led by Bill Coleman, Sam Bull, Jeff Leeds, and Alan Gottlieb.

With a combination of experienced Varsity, J.V. and Frosh-Soph runners, 1970 should prove to be a very good year for Cross Country.

Varsity

The Varsity Waterpolo team benefitted from outstanding individual performances, but it unfortunately lacked the collective coordination that is essential to a winning team. They placed third in Pioneer League competition, ending the season with a 6-11 record.

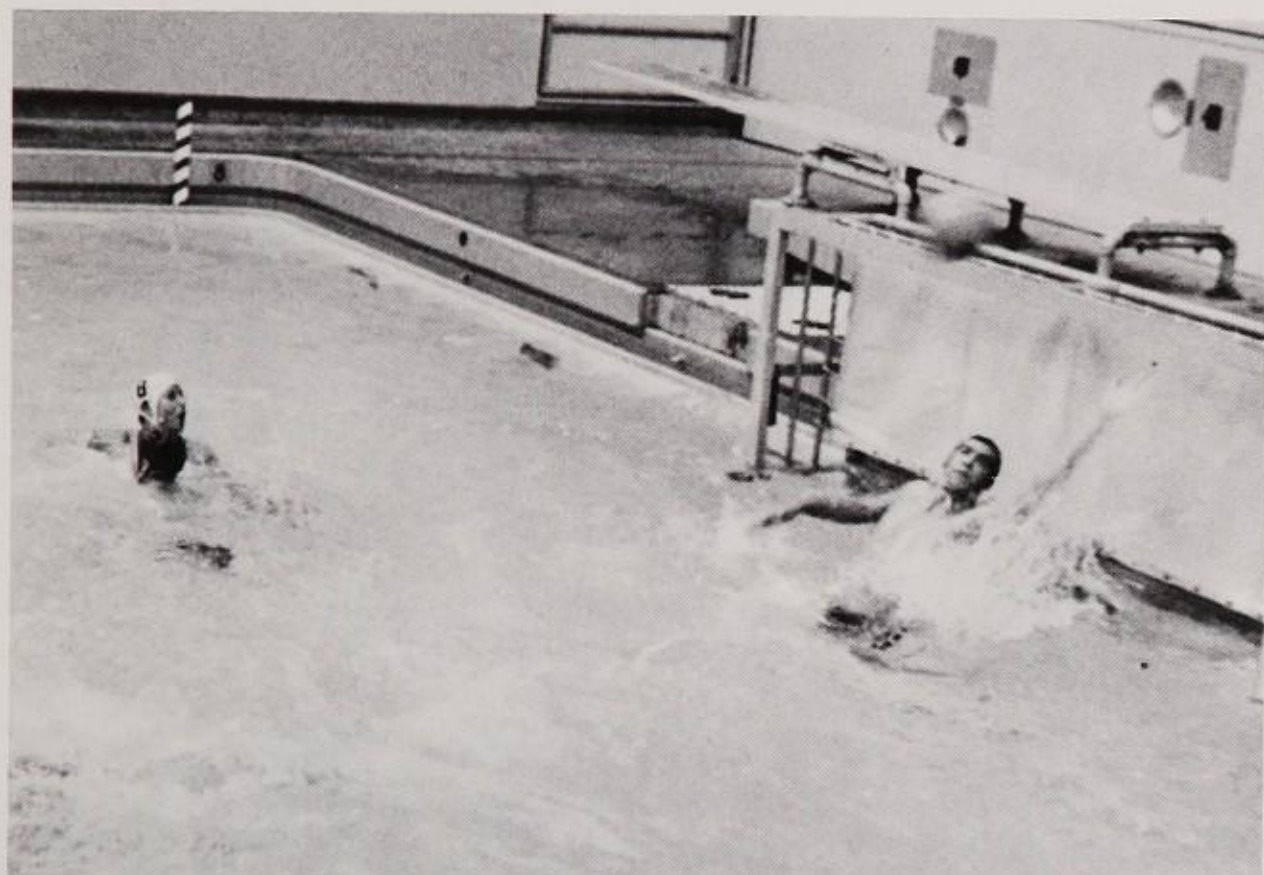

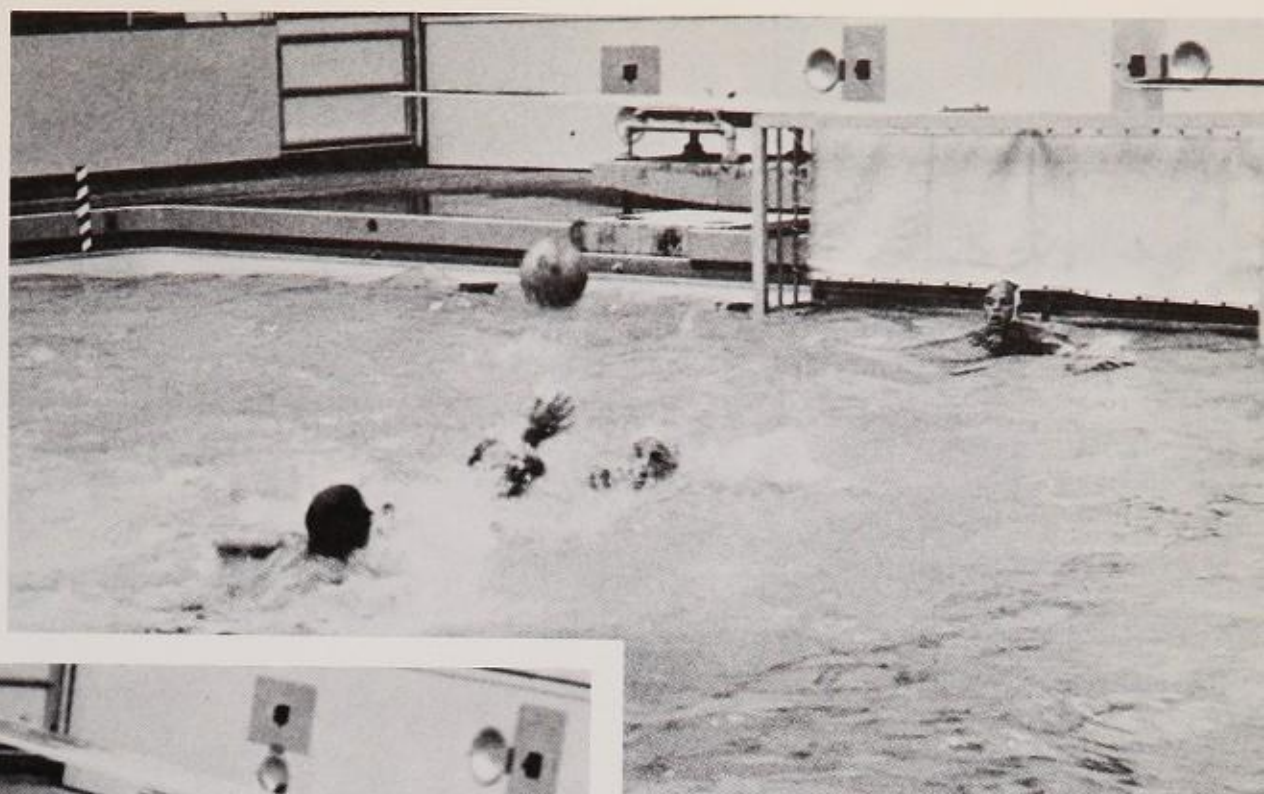

The Norman Poloers were led by shooting ace Ron Richmond, member of the all-league first team, and the Varsity's efforts were supported by an all-league second team member, Ed Schnitzer. Yet despite a few sparkling displays of ability, the final result was undoubtedly disappointing, as for the first time in the past four years, the Norman squad failed to capture the league championship.

David Dickter (top left) blocks a shot while his teammate battles for possession (above). An unidentified Norman poloer reaches for the ball (opposite page, top right) and Dickter stretches to block another goal attempt (opposite page, middle).

Featuring Phil Crandall, Ed Schnitzer, and Jim Simons, along with improved Bee poloers, the 1970 team may well place first in league rivalry.

Norman Bee poloers experienced both agony and ecstasy this season. The squad fared 6-8 in league competition, but were able to splash to a third place in the Mira Costa Tournament. Among the outstanding players were sophomore captain Dave Maron and Tom Jacobs. Chuck Eberly, Mike Girard and Ron Swan. The exceptional swimming coordination of the entire team may well be a preview of the coming swimming season, as many of these athletes will return for that winter sport. Coaches Crawford and Douglas are undoubtedly eyeing possible varsity replacements for graduating seniors and seem pleased after the competitive performance of this year's team.

Bee And Cee Water Polo

The 5-6 record of the Cee water poloers was hardly indicative of a well-fought season. Coaches Douglas and Crawford inspired outstanding individual performances from Bruce Barnett, the team's captain, Steve Rothman, Most Valuable Player (and also the team's high scorer), Charlie Kert, the Norman's outstanding goalie, and Ilan Rabinowitz, who exhibited exceptional swimming talents. Most of the season was spent in an effort to coordinate all of this power into an organized team, and by the end of the year, the Cees had developed an excellent feeling for this difficult sport.

Varsity Basketball

The Varsity basketball team lacked the spark that characterized the CIF-AAA champions of last year. Suffering from the loss of last year's seniors, the Varsity's troubles were compounded by stiffer competition within the Pioneer League. Chuck Reilly put the team through rigorous practices, and the work paid off in the form of a winning season (the team won six out of ten starts). Unfortunately, the 6-4 record was not sufficient to overcome the lead built up by undefeated Aviation, and the Beverly Normans finished third in league.

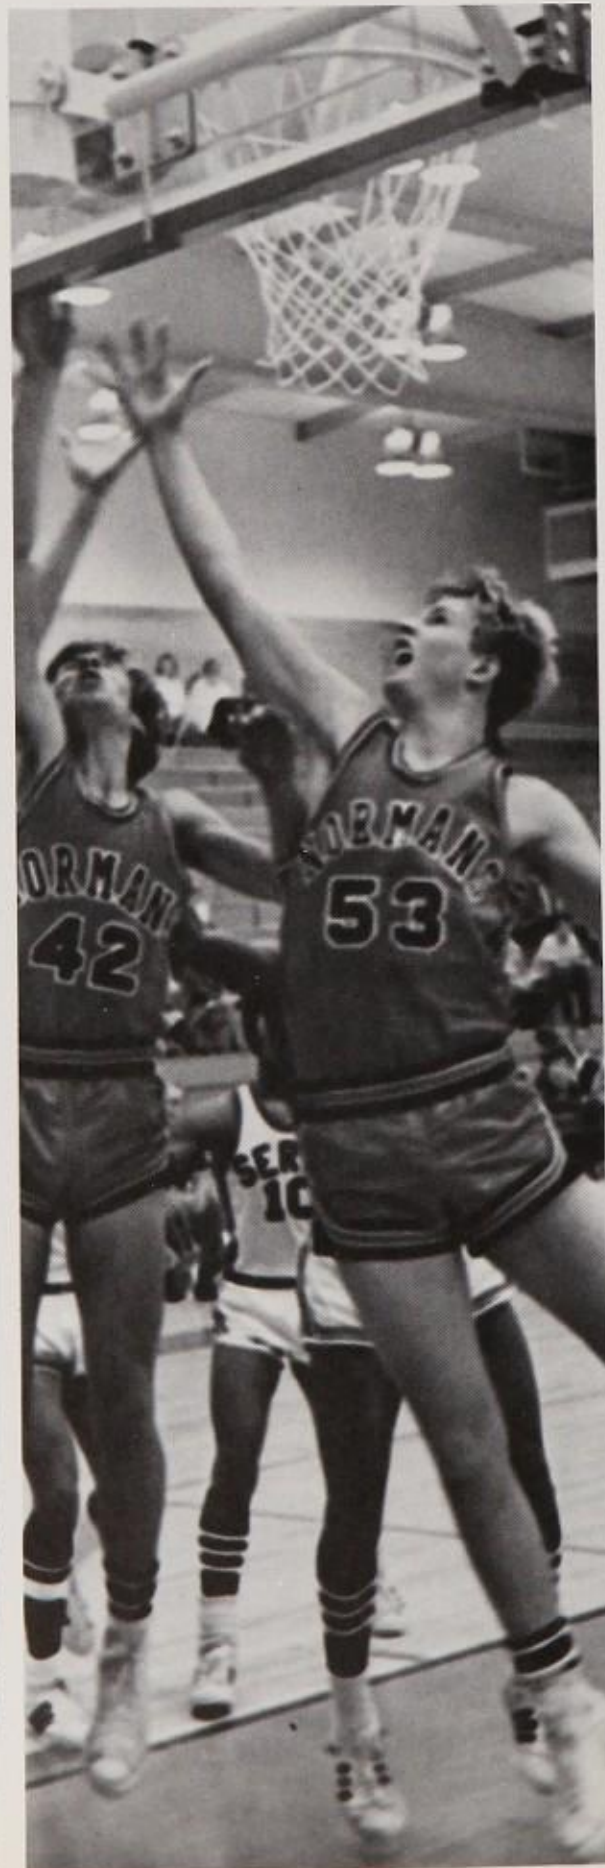

This year's team was indeed a well-rounded one, for it had several consistent shooters. Jim Tough was a dependable high scorer, averaging close to 27 points a game. Tony Jonas contributed greatly to the team's offensive efforts, and Eric Gibson often finished games in double figures. Ed Burrus was one of the team's reliable, steady shooters, and mid-semester transfer student Bruce Tyson helped out in the rebounding and scoring departments.

One of the highlights of the season was the capture of the consolation championship of the Pacific Shores Tournament, which was held early in the pre-league action. To win the championship, Beverly had to beat Leuzinger, Culver City, and Serra, and the Normans accomplished this feat with relative ease.

Next year, the Varsity will be aided by the addition of many 1970 league champion Junior Varsity members, as well as the return of some of this year's Varsity players. Competition will be even tougher, for Beverly will be transferred to the Sky League, where Norman players will be faced with an even greater challenge.

Norman Bee cagers climaxed a momentous season by rallying against El Segundo 84-59 to clinch the Pioneer League championship. The season started slowly for the Bees who were unable to place in their first two tournaments. The Normans proved their strength, however, by winning the consolation championship in the Sunny Hills Tournament. From that point on the squad, guided by Coach Gordon Carpenter, gained momentum. The only league game lost by Beverly occurred at the first meeting with Aviation in which the Norms were edged 43-42. At the second encounter between the two teams, the Bees exhibited their superiority by beating Aviation 48-37. The over-all season record was 14-9 but the Norman's secret for success in league competition lay behind a Pioneer record of 9-1.

Among many outstanding individual efforts was Russell Taylor's breaking of Beverly High's all-time rebounding record. Leading the team in points scored was Jeff Platt. Demonstrating his astounding ball handling ability throughout the season was agile Jerry Solomon (right). Pictured at the top right are starters Gary Firestein (14), Gordon Kritzer (25), and Jeff Platt (23). Pictured below, Russell Taylor, center, vies for the opening tip-off.

Bee Basketball Captures Title

Wrestling

The Varsity wrestling team fought its way to second place in Pioneer League competition. Beverly's defending champions were relieved of their league title by losing the final meet of the season to the current champions, Aviation. Directed by Coaches Hoag and Bushman, the varsity squad turned in several outstanding performances. Bill Kalivas, shown in action in the pictures below, impressed all with his grappling skill. Tony Adragna, along with Burke Cahill, were Beverly's top middleweights. The team as a whole, though led by a few exceptional wrestlers, was not without depth. Terry Mathers, Peter Hussey, Ken Gibbel, Chuck Glickman, and Dana Cole had produced several fine performances.

In the league finals, the Norms were graced with five firsts. Kalivas, Adragna, Burke, and his brother Mike Cahill, and heavyweight Gibbel all trounced their opponents (literally, for Adragna's opponent was forced to default due to an injury he sustained in the match). Unfortunately, the effort was not sufficient to give Beverly a first in the meet, as Aviation earned that distinction.

During the season, the Junior Varsity squad was led by Peter Margolis and Roger Hart, while Gordon Brown and Abe Kaufman were at the top of the Frosh-Soph team roster.

Bee Swimmers Clinch Title

Outstanding performances by the Bee and Cee swimming teams were reflected in undefeated league records for both squads. After anxiously awaiting the all-league meet, the Bees and Cees climaxed the season by drowning all of their opponents and splintering 15 league records to obtain the Pioneer championship in both divisions.

In the Bee division, Phil Crandall dominated the freestyle events, tying Beverly's 100-yd. record and then continuing to take two first place medals in the league meet and to qualify for CIF competition. Franz Wise swam a winning 100 yd. backstroke regularly throughout the season and proved his diversity by breaking the 50-yd. freestyle record at league prelims and qualifying for CIF. Other CIF qualifiers and valuable point contributors were Tom Markovitz, who broke the 100-yd. breaststroke record, and Richard Goldberg, who was able to surpass the old individual medley record as well as that of the 50-yd. breaststroke. Ben Crumpacker proved extremely formidable in both backstroke and butterfly events.

In the Cee division, ninth grade speedster Ilan Rabinowitz took first place in the league 50-yd. freestyle and qualified for CIF. Stuart Seiff earned innumerable first places, among which were included a gold medal for the league 50-yd. butterfly. Steve Rothman led the Norman breaststrokers, and Bruce Barnett was the team's outstanding backstroke. The Cee season was highlighted when the six-man freestyle relay team placed first in the CIF Relay Finals and won the Beverly Invitational.

The Junior Varsity squad followed in the steps of the Varsity, in that it, too, consistently defeated its league competitors, walking away with the title. The team was strong, basically because it was composed of true competitors.

One of the best of those competitors is Keith Steinbaum, also a member of the Junior Varsity championship basketball team. His ability to win while under pressure contributed to the team's winning tradition. Scott Broffman, Bob Norris and Joel Surnow added depth to the team.

Coach Lou Hart was fortunate to have several outstanding individual golfers among his well-rounded squad members this year. Leading the team was scratch golfer Bosko Djordjevic. Bosko demonstrated the form and power that has enabled him to work up to play without any handicap whatsoever. He is one of the finest golfers in Beverly's history. Following in the number two spot was junior letterman and captain Phil Berman. Albie Katz returned for a second year on the team and scored consistently well. Also completing his second year was Albie Owens who, having moved up among the top five players on the team, improved more than any other player. Peter Linde, an outstanding freshman golfer who played to a handicap of five, was another of the top ranking players on the team. Senior athlete Bruce Gamache was also a strong contender on the courses.

Baseball

STEVE KESSLER

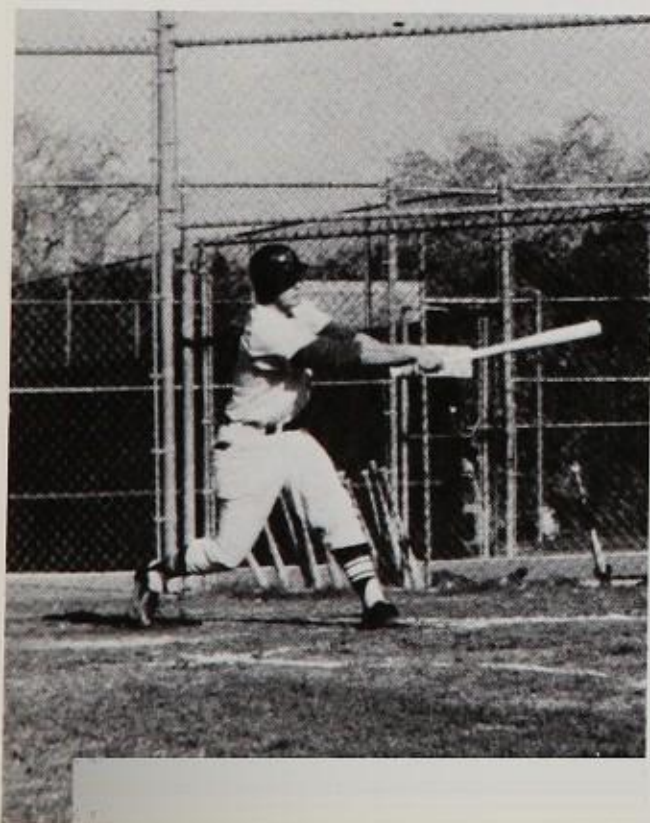

LARRY KAPLAN

The pitching staff is the key to a winning baseball team. The pitchers, led by top hurler Erik Gibson, gave Coach Flanagan the mound staff that made the Normans a title contender. Filling out the staff were Dennis Fernandez, Phil Elway, Bob Waters, and Steve Kessler. The five threw to Auggie Liddi and David Dickter, who traded off behind the plate.

Chuck Fries was the outstanding first baseman. Beside being a good infielder, Fries was a good hitter, with a .300 batting average. Nick Lieberman, who is very good with the glove, took care of the second base position, while Paul Raymond, former Junior Varsity star, filled the hole at shortstop. Danny Goldstein played in his second year at the hot corner. Centerfield was covered by Larry Kaplan, who is also a fine batter. Peter Metzner, at left field, contributed his fielding skills to the team's defensive efforts.
